Membership Dues

The Board has approved a modest increase in membership dues for the coming year. This will play a role in allowing us meet our budget commitments.

In the past many members have joined midyear and made payments during that time. To make things simpler, from now on membership will renew at the beginning of the Hebrew year. For those of you who paid mid year, the shul would appreciate if you would consider it a donation, and renew your membership now. This however is not mandatory, and your previous payments can be incorporated into this year's dues.
