Aishes Chayil-

The standard translation of *Aishes Chayil* is "Woman of Valor"- interpreting *Chayil* is an adjective describing *Aishes*. If so, asks the *Chasam Sofer*, the proper phrase would be the feminine form *Aishes Chayalah*? Rather, the true translation is "Woman who is dedicated to the cause of *Chayil*, accomplishment." Her goal is to foster and encourage the Torah knowledge and good deeds of her husband and children— the ultimate accomplishment.
